LETTER TO THE PEOPLE OF GERMANY AND THE WORLD

Dear people in Germany and in the whole world!

The beautiful, glorious summer has come.  
Everything that wants and should grow, must start small.  
Now it grows, matures and thrives.

Our solutions will be dynamic, and intelligent.

To those who want to see a leader, I answer:  
See how in the pack of wolves the strongest and most powerful goes at the end,  
for the protection of all.

To those who say they will not bow to any king, I say:  
I am not a supplicant! I prefer to be a beggar than a dictator!  
And no one, no one shall bow down before me! That would disgust me.

However, we all bow to real human greatness,  
to real great courage, real great bravery,  
prudence, wisdom.

My task is being, existence:  
to be alive at all, to secure  
your perfect Sovereignty in the near future.  
But my task is also the being there in the right moment, then,  
when everything tips over.  
When the time has come, I am the guarantor for  
your self-determination and freedom (enforcement of the *New Aurea Bulla of Release*):  
for all people.

I am the guarantor of your freedom and complete Sovereignty.  
I absolutely do not depart from this.

Many of us are burned down to the fuse,  
many are stuck in a bottleneck and don't know what to do next.

Spring is over, the seeds are sown, now comes the summer, now everything ripens.  
At the moment it is: THE TIME WORKS FOR US!

After that, inevitably, when the time is ripe, comes autumn,  
and with it our harvest.  
Everything tilts, and then for all people comes the great harvest festival, our Thanksgiving.

We all start now in a very small way, at the most reliable point of our lives.  
We let this grow.  
We do this together with the right others.  
We let it grow, because *what has grown is what is alive*.

Even if I don't report all the time because I can't or don't want to,  
even if others urge me to do so:

I am your guarantor - until the end - and remain so,  
as representative of the Creator, the Original Source of all Being.

What our fathers' fathers and mothers' mothers have worked for, will be  
returned to the people.

I send you rich, beautiful summer greetings!

Peace!  
Freedom!  
Truth!  
Dignity!  
for Germany  
and for all people on Earth!

Yours  
Stefan Ratzeburg
