
2. Charter of Godland - Restitution of the World Indigenous Order with tally stick oxa (bill of exchange that is not debt) as money and basic indigenous income for all loyals.

We, Ditta & Leif of Godland, solemnly declare the following matters.

Whereas to Us it is apparent that well organized individuals in key positions inside any corporate government administration, any corporate media and in any country's political and religious corporate establishment, are hard at work for the purpose of completely or partially exterminating the indigenous people of any ethnic group or race, deliberately creating infertility and imposing migration and mix of ethinical and racial groups.
Whereas We have lived in the decades of invisible colonizers that through networks of war economy corporations part all societies into pieces and put all pieces into war with each other, while degrading environment and health of all living systems. Earth has been turned into a prison planet with automated digitally suicidal systems that may seem unstoppable.

Whereas the Baltic Sea region, as most of other regions of the world, is forced to live in systemic war conditions and the flow of refugees of indigenous people of Baltic Sea region is made invisible in media to replace indigenous of Baltic Sea with other races and ethnical groups.

Whether or not there is war always depends upon what We the People do. Among us there are few who see the light in the end of the tunnel. And those men and women stand up and now proclaim Indigenous Decentralisation of all corporate structures established through fraud by invisible rulers.

For last 999 years invisible hierarchical agents of church and state have decided the fashion of our destiny beslaving and murdering our tribes and races through religions, governments, and corporations; funding both sides of every issue, every ideology, and each war.

We, Ditta & Leif of Godland, solemnly declare that we fullheartedly support the current national states to free themselves from foreign irresponsible rule of hidden structures that are not approved by their nation to be fully loyal to their Indigenous Peoples and citizens.

Godland is a global state of Indigenous World Order that includes all existing citizen states to melt the murderous New World Order. Godland proclaims Indigenous Decentralisation of all corporations delivering restitution or introduction of citizen state systems that are loyal to local indigenous people.

We define citizen state as a geographically bound society of profits sharing citizens and their societies with their human rights protected in all parameters of Baltic Sun Model.
We, Ditta & Leif of Godland, solemnly declare that to dismantle genocidal New World Order we full-heartedly implement the Declarations on the rights of Indigenous Peoples and Convention on the Prevention and Punishment of the Crime of Genocide.

We protect all races and all ethnogenetic groups by establishing an order where each group is supported to nourish its members, decenterfuging the global race mixing experiment that is destroying the Divine order of Indigenous geographical bases.

We, Ditta & Leif of Godland, solemnly declare that we invoke Indigenous Decenralisation of all corporations involved in fertility reducing programmes, as f ex hyper genocidal vaccination business. We nullify any contracts for vaccinating people on their fertility organs as this is leading to total loss of next generation and is to be classified as internal chemical warfare.

We, Ditta & Leif of Godland, solemnly declare that we stop any orders, decrees and laws supporting chemtrails.

We, Ditta & Leif of Godland, solemnly declare that we stop any orders, decrees and laws supporting child abduction by state and county corporations.

We, Ditta & Leif of Godland, solemnly declare that we stop any orders, decrees and laws supporting financial warfair of stock markets and other instruments of digitilised mass destruction.

We, Ditta & Leif of Godland, solemnly declare that we invoke Indigenous Decenralisation on any and all corporations involved in war economy and nuclear power.

We, Ditta & Leif of Godland, solemnly declare that we nullify all contracts that hinder to establish right of all Peoples established in the Baltic Sun Model.
We, Ditta & Leif of Godland, solemnly declare that we invoke Indigenous Decenralisation on any and all corporate CHARTERS of all business corporations involved in psychological warfair through religion.

We, Ditta & Leif of Godland, solemnly declare that we invoke Indigenous Decenralisation on any and all corporate CHARTERS of all business corporations pretending to be governments of peoples of all 200 states of the world such as Switzerland, Austria, Vatican, China, Japan, City of London, Russia, Israel, DC Columbia, The United States Federal Government, UNITED STATES of America, "STATE of ...", business corporation United Nations registered i New York, Inclusive of any and all abbreviations, idem sonans, or other legal, financial or managerial forms, any and all international equivalents, inclusive of any and all OFFICES, inclusive of any and all OFFICERS, PUBLIC SERVANTS, EXECUTIVE ORDERS, TREATIES, CONSTITUTIONS, MEMBERSHIP, ACTS, and any and all other contracts and agreements made thereunder and thereby, are now, void, worthless, or otherwise cancelled, unrebutted; ...

2. Charter of Godland - Restitution of the World Indigenous Order with tally stick oxa (bill of exchange that is not debt) as money and basic indigenous income for all loyals.

We, Ditta & Leif of Godland, solemnly restitute following matters.

World Indigenous Runes tally stick oxa as Indigenous money
We support local communities to use WIR.

Current digital US SWIFT, Russian ATM and Chinese CIPS are proclaimed as foreign fraud and means of war that has to be carefully and in safe stages overtaken by local Indigenous Peoples.

Baltic Indigenous Bank

We establish Baltic Indigenous Bank to arrange the just flow of distribution of resources by oxa systems to all men and women of Indigenous World Order.

We support local communities to use indigenous basic income, testing various settings of levels of income, to fit local culture and harmony, and to compare the results transparently.

We intend to develop and update this declaration constantly.

This be our pledge this eleventh day of June 12017 (10° added Indigneous)
